

Global Industrial™ Bulk Cleaning Rags

Global Industrial™ Bulk Cleaning Rags are the economical and environmentally conscious wiper choice for all janitorial, maintenance and industrial operations.

- Recycled cut rags are available in several woven styles to tackle a variety of painting, staining, polishing, finishing, dusting, and cleaning jobs.
- Shop Towels are tough enough to stand up to oily, greasy messes and harsh manufacturing and shop environments.
- Huck Towels' soft, absorbent and low linting properties make them perfect for polishing and glass cleaning.
